## Information for Participation in Athletics and Co-Curricular Activities

### Athletic Forms

Every student participating in Athletics or a Co-Curricular Activity must create an account at [athleticclearance.com](http://athleticclearance.com) and complete the online digital forms before participating. You must take the official CVUSD physical form to the doctor for the exam. Download the form and instructions: <https://nphsathletics.org/athletic-clearance/>.

The physical/sports clearance exam is valid for 12 months from date of exam.

- Students are not eligible to tryout, practice, or participate in any sport/activity until all digital forms are completed, the physical and proof of medical insurance is uploaded to AthleticClearance.com and the athlete is cleared.
- The Athletic Office will not fax or email forms to/from parents or doctors.

### Eligibility

Students must maintain a 2.0 GPA and be passing 20 semester credits to be eligible to participate in Athletics or a Co-Curricular Activity. Initial eligibility is based on the grading period immediately before the season of sport. Fall eligibility is based upon the end-of-the-year report card (June 2021). Eligibility will be reviewed at each grading period.

**\*Any student who has transferred to NPHS in the 12 months prior to a season must contact the Athletic Director.\***

### Transportation

Athletes are expected to ride the team bus to and from all athletic events. NPHS Athletics is requesting parent contributions to defray the significant transportation costs for athletics and activities we encumber over the course of a season. Payments can be made online through the [NPHS Student Store](#). There are 3 amounts to choose from in the drop-down menu. However, checks for any amount can be tendered to the NPHS Athletic Office, listing the student's name and sport/activity. Suggested amounts are:

Participation in 1 <sup>st</sup> sport/activity of the school year:	\$124.00
Participation in 2 <sup>nd</sup> sport/activity of the school year (additional):	\$ 71.00
Participation in 3 <sup>rd</sup> sport/activity of the school year (additional):	\$ 55.00

Season of Sport/Activity			
--------------------------	--	--	--

ACTIVITIES	Fall Season	Winter Season	Spring Season

			Volleyball (boys)
--	--	--	-------------------

## **Concussions**

If your child is seen by a medical doctor for concussion-like symptoms for ANY reason (whether on campus or off campus, sports related or non-sports related), the CVUSD requires Return to Learn paperwork to be brought to the doctor's office, completed by the doctor, and returned to the school. Please go to <https://nphsathletics.org/concussion-protocol/> to download the form, or pick up a copy in the NPHS Athletics Office before going to the doctor for initial evaluation and all subsequent follow-ups.

<https://nphsathletics.org> is a great source of information for your athletics questions. Please click MORE on the banner along the top right of the site.
